ABOUT CLASSIC ELITE YARNS

Classic Elite Yarns had its origin in the late 1940s wh Ernest Chew, the company's founder, became a part Warley Worsted Mills, an old-line textile-manufactu in Lowell, Massachusetts. Under Chew's direction, V Worsted became a specialty yarn mill, producing fin yarns for fabric manufacturers and yarn companies Bernat®.

In 1980, Classic Elite Yarns was created as a marketi sion of the mill and catered to hand weavers and des 1982, Classic Elite expanded its product line beyond to include cottons, silks, alpacas, wools, and natural blends. The company then began presenting hand-k designs at national needlework shows and producin annual collections—and the new company also bega the pages of international fashion magazines.

Today, Classic Elite, no longer in the manufacturing ness, is owned, managed, and staffed primarily by w company focuses on distributing beautiful hand-kn from international and domestic mills. In addition t ing exemplary customer service, Classic Elite's in-ho manages all pattern writing, technical editing, deskt lishing, and much of the designing for its collections Elite still resides in an historic mill building on the b the Merrimack River in Lowell and prides itself on c fine hand-knitting yarns to the best yarn shops in A

Introduction

GAUGE

Obtaining the correct gauge is the single most impo
tor for a successful garment. Take time to save time;
your gauge. To check gauge: Knit a swatch at least 4
long using the stitch pattern and needles recommen
the washing instructions on the yarn label, wash you
This will tell you how your finished garment will be
it has been washed. Measure the number of stitches
4" swatch. This should match the required gauge. If
more stitches than the pattern specifies, increase you
size; if you have fewer stitches, decrease your needle

BLOCKING

We recommend blocking all pieces to the measurem
before assembling.

SKILL LEVELS

EASY: Projects using basic stitches, repetitive stitch p
simple color changes, and simple shaping and finish

INTERMEDIATE: Projects with a variety of stitches, suc
cables and lace and simple intarsia; use of double-po
needles and knitting in the round techniques; mid-l
ing and finishing.

EXPERIENCED: Projects using advanced techniques an
such as short rows, Fair Isle, more intricate intarsia,

patterns, and numerous color changes. Projects for use intricate stitch patterns, techniques, and dimens as nonrepeating patterns, fine threads, small hooks, shaping, and refined finishing.

SUBSTITUTE YARNS

It is unfortunate when a yarn is discontinued, but C
has a wide variety of yarns that can be substituted fo
that may no longer be found in the marketplace. Bel
of yarns used in this book that are no longer offered
they may still be found at some yarn shops) and sui
stitute yarns. As in all knitting, for best results knit a
swatch and check for accuracy before proceeding.

NOTES

1. This stole is worked as two separate halves—the first h started from the center with a Provisional Cast-On, worke the edge, then trimmed with a knitted-on edging. The se half is worked directly from the Provisional Cast-On sts at for the same length as the first and then the knitted-on e added to this half.

2. If you have difficulty finding the recommended yarn, yo consider using Classic Elite's Fresco as a substitute.
